We are pleased to welcome Father John Mary Chung, Administrator to Saint Philip the Apostle Church and Community. Archbishop Cordileone has assigned Father John to us effective July 1, 2019. Please extend a warm and friendly welcome as he makes his rounds around our campus. We plan to have an “Official Welcoming” on Sunday, October 6 after the 10:30 a.m. Mass. Our Parish School Community will be back in full swing and Father too will be back from his September holiday. Be sure to mark your calendars now!

We continue to be blessed in retaining both Father Brendan McBride and Father Patrick Summerhayes in residence. While Father Patrick continues his studies in Washington, D.C., his residence will remain here at St. Philips.

A Little About Father John

Father John Mary Chung grew up in a very close-knit family of five children in South Korea. He came to the United States to continue his studies after earning both his BA and MA in English and English Education from Seoul National University, the most prestigious university in South Korea. He earned a PhD in Linguistics from the University of California at Berkeley. He then chaired the Korean program at Smith College, which is alma mater to two United States First Ladies, Barbara Bush and Nancy Reagan.

While teaching at Smith, Father Chung discerned his vocation to the priesthood. He furthered his discernment of a priestly vocation at Pope St. John XXIII National Seminary in Weston, Massachusetts. After the second year of theology in the seminary, he spent a pastoral year serving at St. Hilary Parish in Tiburon. Once ordained to the transitional deaconate in May, 2010, he had the privilege of assisting at Christmas midnight Mass in Bethlehem, celebrated by the Secretary General of the Custody of the Holy Land. Not a year later, on Holy Thursday, April 21, 2011, he was chosen to serve as Deacon of the Eucharist for His Holiness, Pope Benedict XVI, at the Chrism Mass at St. Peter’s Basilica.

Father Chung was ordained a priest on June 25, 2011, by the late Archbishop George H. Niederauer. He was an associate pastor at Nativity Parish in Menlo Park, St. Elizabeth Parish and Star of the Sea in San Francisco. Most recently he studied pastoral leadership, residing at Star of the Sea Church in San Francisco.

Both Father Chung’s parents have passed away. His four siblings, spouses, and their children are all converts to the Catholic faith. They live in South Korea.

Father Chung loves to pray, read books and listen to music, especially Baroque music, Gregorian chant and medieval polyphony.

Schola Cantorum London Boys’ Choir Sings at Cathedral and Mission Dolores

Sunday, July 28, 2019, 11:00 AM
Location: St. Mary's Cathedral, 1111 Gough Street @Geary, San Francisco 94109

The Schola Cantorum of the London Oratory School (director, Charles Cole) will tour the western U.S. this summer, performing in Utah and California. This choir of about 40 boys will sing two performances in San Francisco, both on Sunday, July 28, 11:00 am Mass at St. Mary's Cathedral (with Archbishop Salvatore Cordileone as celebrant); and again Sunday, July 28, 5:00 pm concert at Mission Dolores Basilica.

Founded in 1996, the choir gives Catholic boys the opportunity of a choral education within the state education system from age 7 to 18. In addition to performing its liturgical roles and sacred music, the Schola has recorded numerous soundtracks, including the Lord of the Rings and Harry Potter films, as well as CDs and television and radio broadcasts. For more about the Schola, visit the website, www.londonoratoryschola.com.
Dear Parishioners and Visitors,

How many people can play on a team? Baseball uses nine players on defense and one at a time on offense, with the possibility of other players on base. But teams are much larger than that. For example, it’s not enough to have only nine players. There needs to be more in case some are injured, or to give others a rest. A baseball team with only one pitcher will not win many games in a row. Teams need back-up players. And what about football? Each team has eleven players on the field at a time. But there are offensive, defensive, and special teams squads. The players on a college football team number more than a hundred. In the NFL, teams may have fifty-three players, but only forty-five can suit up for a game.

During the ministry of Jesus there were many on the team as well: crowds, disciples, apostles, and a special few. In the Gospel of Matthew, there are only twelve disciples, and they were also the twelve apostles (Matt 10:1-2). But Luke has a much more expansive view of discipleship. In fact, in Acts, he invents a feminine form of the word to mention Tabitha, a female disciple (9:36). And in today’s gospel we have the mission of the seventy-two! In Luke there were many, many disciples. Nearly anyone could be on the team!

And this simple lesson gives us great hope today. According to Luke, men, women, the Twelve, the seventy-two, and many more were in a special relationship with Jesus, chosen to follow him and chosen also to be sent by him. In this gospel there were not such tight boundaries around who could or could not be a disciple. Instead, the situation seems to have been more fluid or dynamic. And that’s likely a more accurate reflection of the situation around Jesus’ earthly ministry. It would also seem to reflect our lives more accurately too, with dynamic, fluid relationships.

Aside from this story in Luke we never hear about the seventy-two again. But surely these people were likely some of the early evangelizers after the resurrection. It all gives us a brief inkling into the situation of the early church. Though it might be easier to imagine the Twelve with Peter at the head, knowing who is “on the team” and who isn’t, today’s gospel reading invites us to consider a much more complex picture.

A mighty God, you feed us with signs of new life each and every day. Give us eyes to see you present in our midst. Give us arms to carry you into our world. Give us mouths that drink fully of the milk of your comfort, so that we might make your kingdom visible now.
If you have a loved one who is home-bound or know of someone who would like to receive Holy Communion from our altar but unable to attend the Mass celebration, please call the parish office at 415.282.0141 with their contact information so we can reach out to them. We have several ministers who are willing to help. Thank you.

**ST. BENEDICT**

Have you ever wanted to change the world? 5th century Europe was a dark place. The Roman Empire had fallen, and barbarian tribes were picking over the scraps of what remained. Faith hung on, but there was no consistent, coherent Christian culture in the world around. Young Benedict began his life with education and privilege but became disillusioned by a life pursuing material success. He withdrew to a monastery and spent much time in solitude. He began attracting followers, whom he organized over time into 12 monasteries, with a 13th established to train young monks. He wrote a rule of life including basic principles for living as Christ. His monks took three vows: conversion to Christ, obedience to the local abbot, and stability to remain with the community. Benedictine monasteries became lights in the darkness, secure centers of Christian culture enlivening the faithful beyond their walls. When the world around us seems complicated and contrary to the Gospel, how will you be a light?

**LIVE THE LITURGY - INSPIRATION FOR THE WEEK**

Jesus tells his disciples, "I am sending you like lambs among wolves." Getting people to see the truth about who they are is not always easy or welcomed. Some people want to believe that they have life under control and they do not need any further advice, direction, or challenge from others. Being heralds of the Gospel means doing precisely that. We come with a message that is not always welcome or desired by our sisters and brothers. Yet, it is desperately needed. People need to be reminded of who they are, who God is, and the necessity of repentance for entering the Kingdom of God. It is not about what we want but what God wants. We are called to be peace-makers and laborers for justice and mercy. Are you willing to bring this challenging message to those who may be indifferent or even hostile to hearing it?
